

LONG-TERM CARE

We believe that every day holds new opportunities for our residents to smile, tell stories or simply be close to family and friends. So our **Long-Term Care** services offer much more than just assistance with daily personal tasks that may have become challenging due to an ongoing medical or physical condition, disability, illness or injury. We also strive to create a comfortable, engaging and stress-free environment with many of the comforts of home. We focus on enhancing each individual's quality of life, so he or she can enjoy the simple pleasures that every day brings.

- ⌚ 24-hour skilled nursing and medical support services for chronic or prolonged illness
- ⌚ Enjoy living in a home-like setting while under the supervision of our clinical team and compassionate caregivers
- ⌚ Quality of Life program designed to provide residents with an attentive ear, which gives residents an opportunity for them to discuss their personal needs or concerns
- ⌚ Medication management in coordination with licensed nurses and physician support
- ⌚ Management of chronic conditions for those that can no longer live independently
- ⌚ Interdisciplinary team care of physicians, licensed nurses, social service directors, registered dietitians, therapists and wellness directors to provide patient-centered care
- ⌚ Transportation to and from scheduled doctor appointments and outings
- ⌚ Fun and engaging activities such as live music, worship services, painting courses, bingo and many others
